### **Poster presentation**

- when preparing your poster for the next College meeting in Avignon, please use the following format:
  - upright format
  - size: 90 cm (horizontal) x 120 cm (vertical) - approx. 35 (horizontal) x 47 (vertical) inches
- Just a reminder that between 9:45 and 10:15 immediately prior to the poster session each poster presenter will have a maximum of 2 minutes to present a short overview and the important findings of your poster. Please remember to confirm or decline with Cristina Osella if you will be participating (if you have already done please ignore this point)
- If you wish to present your poster during the poster teasers carry with you a USB version of your poster or a powerpoint with the title and a two or three slides for your two minute presentation
- an additional pdf of the poster is highly appreciated. This pdf should have be sent before 1<sup>st</sup> November 2011, but if you have not already done, please do as soon as possible, to Rudy De Meester [rudydemeester@telenet.be](mailto:rudydemeester@telenet.be)
